WHAT IS ALREADY PAID FOR

A host's post (22/09) announced your women's-only bushcraft weekend for August 2027: 10 places at £65 per person, expected to sell out fast after many requests. That is the host's figure, not yours. Everything paid you do today happens in person, in small groups, on a few dates a year.

"I'd much rather teach a few skills really well than cram too much in."

YOUR WORDS, DM 25/09: SHELTER BUILDING, FIRE LIGHTING, NAVIGATION, FORAGING, AND A BIT OF MINDSET AND PROBLEM-SOLVING

THE CONTENT THAT WORKS

- **The Wild Reckoning teaser** (BBC One, BBC Cymru Wales): 793 likes and 23 comments, your most-liked recent post.
- **The Bushcraft Magazine cover story**: 25 comments, the most-commented recent post, 1,375 views.
- **Friction fire, week one on the island**: 822 views, ending on a question to your followers: "Which expedition would test you?"

Several recent posts hide their like counts, so these figures are what the public data shows.

THE FOUR PRODUCTS

PRODUCT	PRICE	WHAT THE FIGURE RESTS ON	REVENUE (ESTIMATE)
Ebook	\$29	38 buyers	\$1,102
Online course	\$200	38 buyers	\$7,600
Group coaching 8-week programme	\$500	2 to 8 people per cohort; 38 buyers in a year	\$1,000–\$4,000 per cohort \$19,000 a year
One-to-one coaching 8 weeks, 1 hour a week	\$1,500	1 to 20 hours a week; 38 buyers in a year	\$1,500–\$30,000 per 8 weeks \$57,000 a year

THE TWO COACHING RANGES

GROUP COACHING

Per 8-week cohort: $2 \times \$500 = \$1,000$ up to $8 \times \$500 = \$4,000$. A year holds six cohorts, so up to 48 places (8×6), which would be $48 \times \$500 = \$24,000$. With 38 buyers, the group programme could make you $38 \times \$500 =$ **\$19,000 a year**.

ONE-TO-ONE COACHING

Per 8 weeks: 1 hour a week (1 client) $\times \$1,500 = \$1,500$ up to 20 hours a week (20 clients) $\times \$1,500 = \$30,000$. Six 8-week blocks at 20 hours a week hold 120 programmes (20×6), or \$180,000. With 38 buyers, one-to-one could make you $38 \times \$1,500 =$ **\$57,000 a year**.

THE RANGE AND THE AVERAGES

Minimum: the ebook sales

\$1,102 ESTIMATE $38 \times \$29$

Maximum: the biggest year figure

\$57,000 ESTIMATE

One-to-one \$57,000 beats group \$19,000 and course \$7,600

Median

\$5,050 ESTIMATE

Figures in order: \$1,102, \$2,500, \$7,600, \$15,750. Middle two: $(\$2,500 + \$7,600) \div 2$

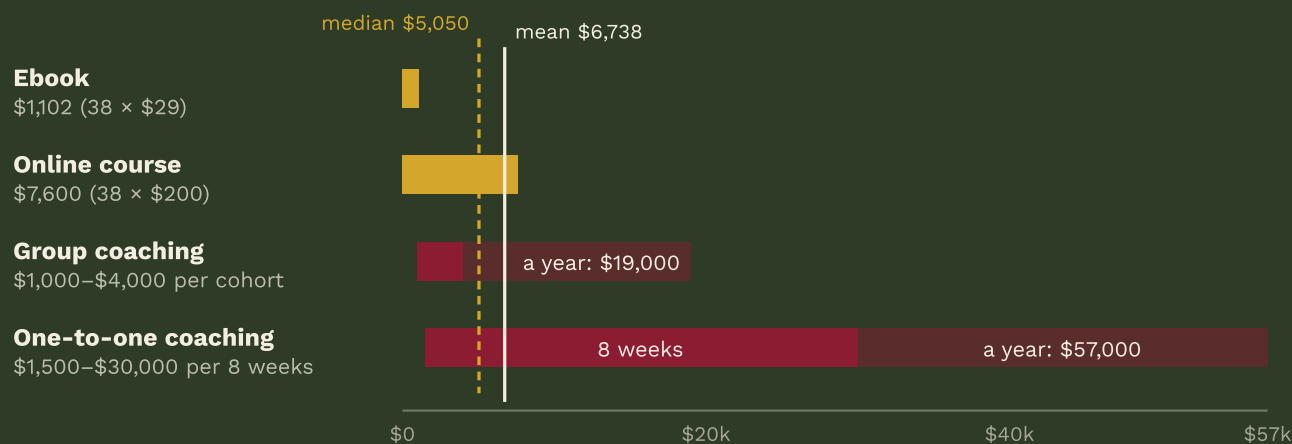

Mean

\$6,738 ESTIMATE $(\$1,102 + \$7,600 + \$2,500 + \$15,750) \div 4 = \$26,952 \div 4$

Mid-range

\$29,051 ESTIMATE $(\$1,102 + \$57,000) \div 2 = \$58,102 \div 2$

For the median and mean, each coaching product is counted at the middle of its 8-week range: group $(\$1,000 + \$4,000) \div 2 = \$2,500$; one-to-one $(\$1,500 + \$30,000) \div 2 = \$15,750$. The mid-range uses the year maximum. The £65 weekend sits outside this model and is left as it is.

Solid bars are the 8-week range; the lighter part runs to the year figure, capped at 38 buyers.

THE PRODUCT LADDER

A FEW SKILLS, TAUGHT WELL, **FOUR WAYS**

Each step is built on what you already teach on a weekend: shelter, fire, navigation, foraging and the mindset that holds them together.

\$29

EBOOK

THE FIELD GUIDE

Shelter, fire, navigation and foraging, plus the mindset and problem-solving part, written by Autora from your teaching and posts. For people who missed a weekend place, live too far away, or want to read up first.

Estimate: $38 \times \$29 = \$1,102$

\$200

ONLINE COURSE

BUSHCRAFT FOUNDATIONS

The few skills you teach really well, filmed step by step so people can practise before a weekend. For people who want to see it done and get their hands working before they meet you.

Estimate: $38 \times \$200 = \$7,600$

\$500

GROUP COACHING

WILD SKILLS COHORT

An 8-week online group of 2 to 8 people, with live sessions where you review their fire lays, shelters and navigation from their own trips outdoors.

Estimate: \$1,000–\$4,000 per cohort; \$19,000 a year at 38 buyers

\$1,500

ONE-TO-ONE

FIRST SKILLS TO OWN TRIP

Eight weeks, one hour a week: one person goes from first skills to a trip of their own, planned and done, with weekly calls with you.

Estimate: \$1,500–\$30,000 per 8 weeks; \$57,000 a year at 38 buyers

WHO DOES WHAT

YOU TEACH. WE RUN THE REST.

Autora hosts and runs everything: the format, the build, the platform and hosting, the checkout and payments, delivery, the marketing and the backend. Your part stays close to what you already do on a weekend.

YOUR PART

EBOOK

Confirm you're happy for it to go out.
Next to no work.

ONLINE COURSE

Film the skills during a session you already run, and send us the footage.

GROUP COACHING

Run the live sessions: review members' fire lays, shelters and navigation.

ONE-TO-ONE COACHING

Run the weekly one-hour calls with each client.

WHAT AUTORA DOES

EBOOK

Writes it from your teaching and posts, designs it, hosts it, sells it and delivers it.

ONLINE COURSE

Turns your footage into the course, hosts it, sells it and delivers it.

GROUP COACHING

The sales page, booking, payments, onboarding and marketing for every cohort.

ONE-TO-ONE COACHING

The sales page, booking, payments, onboarding and marketing for every client.

Nothing to pay upfront. Autora is paid from a share of what the products make.

You never build, host, market or sell anything yourself. The weekends carry on exactly as they are.

THE TWO PRODUCTS THAT REACH FURTHEST

THE FIELD GUIDE · EBOOK

\$29

INSIDE	A chapter each on shelter building, fire lighting, navigation and foraging, then the mindset and problem-solving part that ties them together. Drawn from how you teach and what you post.
PROMISE	Know which skills matter first and how to start practising them.
YOUR PART	Autora writes it; you confirm you're happy for it to go out.
FIRST STEP	Autora drafts the outline from your posts and teaching for you to look over.

BUSHCRAFT FOUNDATIONS · COURSE

\$200

INSIDE	Shelter, fire, navigation and foraging, filmed step by step, with the mindset and problem-solving you build into every weekend. Framed as preparation and practice, never a replacement for hands-on time outdoors.
PROMISE	Start learning before you get to a weekend, and arrive with something to build on.
YOUR PART	Film the skills during a session you already run and send Autora the footage. Autora turns it into the course, hosts it, sells it and delivers it.
FIRST STEP	Choose the session you'll film, and the few skills that go in.

YOUR PART	Run the sessions. Autora handles the sales page, booking, payments, onboarding and marketing.
FIRST STEP	Pick the dates for a first cohort, up to six a year.

FIRST SKILLS TO OWN TRIP · ONE-TO-ONE

\$1,500

INSIDE	Eight weeks, one hour a week with you. One person goes from first skills to a trip of their own, planned and done.
PROMISE	By week eight, a trip they planned themselves, and the skills to do it.
YOUR PART	Run the weekly calls. Autora handles the sales page, booking, payments, onboarding and marketing.
FIRST STEP	Decide how many hours a week you'd give it, anywhere from 1 to 20.

LAUNCH PLAN

ASK, FILM, THEN OPEN THE DOORS

Three steps, in order. Nothing gets built until your followers have answered the first one.

1

FIRST · A STORY QUESTION

ASK FIRST

Ask followers who missed a weekend place, or live too far away, whether they'd start learning online. The first post (next page) does this, and the replies tell us how many people that really is.

2

NEXT · AT A SESSION YOU ALREADY RUN

FILM THE COURSE SKILLS

Shelter, fire, navigation and foraging, filmed during a session already in your diary, so the course costs you no extra days. Send the footage; Autora does the rest.

3

THEN · WAITLIST AND LAUNCH

OPEN A WAITLIST, THEN LAUNCH

Start with the people who ask about the weekend places, then launch with a clear date and a real close.

TWO THINGS NOT TO DO

Don't claim an online course replaces hands-on practice outdoors. Frame it as preparation and practice.

Don't invent how many people missed a place. Let the replies to the first post give the number.

THE FIRST POST

FOUR SLIDES TO TEST THE DEMAND

Ready to post as a carousel or a run of stories, in your voice, before anything is built.

1

Missed out on a place at one of my bushcraft weekends?

2

On every weekend I teach a few skills really well: shelter, fire, navigation and foraging.

3

I'm thinking of filming those skills step by step, so you can start learning before you get to a weekend.

4

Comment "WILD" if you'd want it.

WHY THIS ONE

It speaks to the people the weekends can't fit, in the same words you use about your teaching, and it asks one plain question, the way your friction fire post did. Every "WILD" is a name for the waitlist.

It promises preparation, not a replacement for a weekend, and makes no claim about how many people missed out.

WHAT TO DO NEXT

POST THE FOUR SLIDES, **COUNT THE "WILD"S**, AND WE'LL BUILD FROM THERE.

1 POST THE QUESTION

The four slides on the previous page, this week.

2 CHOOSE THE SESSION TO FILM

One you already run, so the course costs you no extra days.

3 TALK IT THROUGH

Reply to this DM and I'll walk you through the numbers and what to build first.

All figures are estimates based on public profile data and this audit, using a fixed model: 5% of followers engaged, 5% of those buying.

How it was made: Euan builds automations and used AI for the analysis, which is why this took an evening rather than a fortnight.
